WHERE IS THE OUTRAGE?

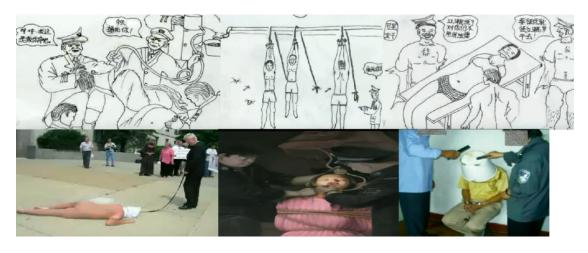

#pizzagate: The Magestic Apes, Katy Perry, Miley Cyrus & George Michael? #pgww

<u>29/12/2016</u> □

Some screenshots from the video below, taken from the Magestic Apes Neutered Noel. There are other images that are a lot more disturbing. You can see for yourself in the video, but i am not willing to publish them..

On the basis of their imagery and artwork alone, they should be judge and imprisoned. One can assume with fair certainty what sort of minds produce that crap. The fruit does not fall far from the tree and where there is smoke, there is bound to be a fire sooner or later. When you see and hear thunder clouds in the distance, you know it won't be long before a storm arrives.
